

## THE RENAISSANCE CENTRE

Provides 'reborn' items for the household.

Donated items are imaginatively rejuvenated to a condition worthy of resale. Our aim is to raise the profile of crafts, taking them into the 'Designer Maker' arena, where they are displayed in a gallery and domestic setting.

We believe there is **VALUE IN EVERYTHING**, especially people.

The Renaissance Centre is open Monday to Saturday 9.30am to 5pm closed between 12-1 on Saturdays

We believe in continual improvement and therefore we welcome feedback. Your comments, complaints or suggestions will be dealt with appropriately by Jean Jarvis, Chief Executive, who can be contacted by email, letter or telephone. Tel: 01584 874922

### Accredited Training

**Re-use and Recycling**  
Our Recycling Project can provide Open College Network accredited training. Giving the learner a basic awareness and understanding of reducing waste, re-use and recycling of materials such as wood, metals, computers, washing machine components to name a few. Training includes the safe use of equipment, identifying and using a range of tools, preparation and planning. This enables learners to complete work to a high standard.

## Carpentry Workshop

Reclaimed wood products are made in our carpentry workshop by trainees, giving them the chance to acquire practical skills & gain confidence. We refurbish or dismantle and rebuild wooden furniture and undertake bespoke work. We also make a range of garden furniture, bird boxes, and house name plaques.

All items produced in our workshop either go to people on low incomes who are in need of the essential service we provide or are sold in our shops to generate income to enable us to continue to provide our services

## Meeting Room for hire at The Renaissance Centre

We have a meeting room with kitchen facilities available for hire during office hours.
