

Could you be a Rockspring Supporter?

Rockspring Community Centre is at the heart of Sandpits Estate, Ludlow. Earlier this year South Shropshire Furniture Scheme took on the lease for the Centre and is working hard with partners to ensure local people see Rockspring as theirs.

The Centre is staffed Monday to Friday and hosts a number of clubs and activities. Private hires are also accommodated in the evenings and at weekends.

Rockspring recently ran a highly successful Summer Scheme for young people, with more than 80 youngsters taking part in activities throughout the summer holidays. The Summer Scheme programme included sports, crafts, gardening, cookery, drama, orienteering, den making, bike rides and fun and games.

We rely on volunteers to help us deliver such schemes and to support professional youth workers and activity providers. We keep costs to a minimum and encourage the young people to take part in positive activities irrespective of their capacity to pay.

It costs on average between £200 and £300 to put on a day's activity. This includes the costs of drinks, fruit, snacks and a healthy lunch.

We would like to offer activities to children and young people at the Rockspring Centre every school holiday. We believe in instilling positive messages, encouraging respect for themselves and others and setting standards of acceptable behaviour whilst having fun.

If you are able to help us in any way or to offer any donations to help us raise funds for Rockspring activities please contact us at the Rockspring Community Centre.

In addition to the young people we also host activities for people of all ages. Our aim is always to build confidence, encourage friendships and support people in any way we can to make the most of opportunities. We offer volunteer work placements and develop skills to help people seek out and secure employment. We also run the Shoestring Club, a supportive way to encourage sound money management in difficult financial circumstances.

Every Thursday at the Rockspring Centre local people can drop in between 9.30am and 3pm for a cuppa and a chat and learn more about what they can get involved in.

If you or your organisation can help in anyway please get in touch, we would love to hear from you.
